

May 2, 2017

Dear Friends, Families, and Supporters of Nativity Prep,

On behalf of the Board of Trustees, I am pleased to announce the appointment of Brian P. Maher as the 7th president of Nativity Preparatory School. Following a rigorous search process that engaged the whole Nativity community, Brian was chosen as the successor to Fr. John C. Wronski, SJ, who has been missioned to serve as Provincial Assistant for Formation of the Maryland and USA Northeast Provinces of the Society of Jesus.

During his tenure at Boston College High School, Brian served as science teacher, coach, co-curricular advisor, and Director of Capital Planning & Technology. In his current role as BC High's Vice President for Operations, he has been a member of the president's senior leadership team, helping to develop and implement the operational and strategic goals for the school, including the raising of funds for some of the school's most significant expansion and construction projects. Brian holds a B.A. in Physics from College of the Holy Cross, an M.Ed. in Curriculum and Instruction from Boston College, and an M. S. in Environmental Engineering from Northeastern University.

Over the past year, Brian has been a dedicated member of Nativity Prep's Board of Trustees, serving as chair of the Education Committee. He and his wife, Kathy, have enjoyed preparing and serving dinner to the students in Nativity's evening study program. Since his days as a college student at Holy Cross, Brian has been inspired by the rich tradition of Jesuit education and the spirituality of St. Ignatius Loyola. An active member of St. Ignatius Parish in Chestnut Hill, Brian has served on the Parish Pastoral Council, the Building Committee, the ARRUBE Refugee Assistance Program, and the Jamaica Service Project. He has been a mentor for the Jesuit Collaborative's Contemporary Leaders in Action, a member of the Task Force on Standards and Benchmarks for Jesuits Schools, and a participant in the JSEA Seminars on Ignatian Leadership. Brian's experiences of service, prayer, and the *Spiritual Exercises* have formed the core of his educational vocation, and have prepared him well to further advance Nativity Prep's Jesuit mission for the greater glory of God.

Please join me in giving a warm welcome to Brian as he prepares to begin his new role at Nativity in July!

Sincerely yours,

Paul R. Daoust

Chair, Board of Trustees
